When I searched for James on the internet, it was then that I learned of his passing. I am deeply saddened and very sorry I didn't look for him earlier. I worked with James at Beacon Electric Supply in the mid 80's and we had quite a time together. His positive attitude, work ethic, and ear to ear smile will never be forgotten. Rest in peace, James.

We loved Uncle James! I'm going to miss talking to him at all of the family parties about life and what I'm up to and what his new adventures are. Uncle James was the best around everyone and was so kind. He shared great stories, put others first and loved his whole family with his whole heart. He was taken away too soon ??
