I have a lot of fond memories of Leo. He was a kind and gentle man. When you mentioned he loves bed animals that made me remember the time Caren and Leo visited us in South Dakota and he was on the phone talking with April because she was watching the dogs. Well his voice changed to a high pitch and was saying how much ch he missed them. I said to Leo " are you talking to April or your dog?" and he said " my dog". I started to laugh becaus I never heard anybody having a conversation with their dog on the phone before 😊 His dog meant the world to him. He was a good husband to me sister and a great dad to April. RIP Leo, you will be missed a lot. We love you, Vicki and Mike
