I also knew Mr. Burgie from Lifetime Animal Care Center. He had been bringing his cats in to see us for several years. He was such a devoted pet owner and compassionate person. He was always trying to stay upbeat even though we knew that he was in a lot of pain. He sure made an impact on all of us. We will miss him so much. We are glad that his fight is over and he is at peace in Heaven. Blessings to all of his family.

Dear Family and Friends, Just wanted you to know that Bob was such a dear and sweet man. I knew him from him bringing in his cats at Lifetime Animal Care Center. He sure did love his cats, and always did the right thing by them. I thanked Bob, and want to thank the family to for his military service, we wouldn't have our freedom with out their military duty to serve and protect us. I know that Bob was in a lot of pain, but never a word of complaint came from him, he had an easy going matter of fact attitude that this was life and he just dealt with it. He certainly was a miracle and a blessing in my life. But I know that Bob is in heaven now certainly with no more pain. It is us here on earth that feel the loss. God bless you all in your time of sorrow, my prayers and thoughts are with you. Love, Cathy
