Ryan Villa

Judy Condino posted:

To the Villa family: Please know that even though I never had the chance to meet your beloved son Ryan, that I grieve with you. Even though we are strangers, I want you to know that even strangers mourn for Ryan. My heart breaks for your family and your loss of your son, your brother, a precious soul. I've shared Ryan's story with others, and we are all grief-stricken with you. I wish you peace, and joy, in the precious memories of your beautiful son Ryan. He will live on inside of all who keep his memories alive in their hearts. Ryan Villa will be missed by even those who never knew him, his story has touched many, more than you know. Bless you.
