Jo, Uvette and Family:It is with a heavy heart that we express our sympathy to you and the Russ family. Know that you are not alone in your time of sadness. A. W. will be missed by all who knew him. I will always remember the first time that I met him and how warm he made me feel. I will always cherish the wonderful memories of the wit and humor that he shared with me and how me made me laugh until it hurt.As you must now start all of your tomorrows without your loved one, I pray that God will comfort you and wipe your tears away; replacing them with the memories of the good times that you had together with A.W. With Caring Thoughts and Much Love,Your Cousin,GaynellPaul and Gaynell Jamison
