We were so shocked and saddened you hear about Mark leaving us all so soon. He had a great talent and was loved by many, your closeness as a family was and is an inspiration. We will all be together some day and what a party that will be.

My dear friends...while I often go off half cocked, Linda and I share a deep love and admiration for the Robinson family..a family of great faith and courage. We love you with all our hearts...and our feelings for Mark areextraordinarily "genuine." Words are totally inadequate. From the deepest part of my being, his memory, his art,and his humanity will continue to graceour home (for years to come). We love you folks with all of our being. I wish you peace and grace in the near, and long term. Mark will never be forgotten in this home. He holds a place of honor in our hearts...and just so you know...if Mike needs ANYTHING, he need only call us for assistance. WE WILL BE THERE (for him). Love, Bill and Linda Dineen

Mark will be missed terribly, but God has called him Home. He will remain in our hearts forever. Life Is Beautiful, My Child Though many things go wrong, And you may hear much sadness in its strange and lovely song. Though friends and loved ones die, my child, They're never really gone. Nor more nor less than yesterday, In you they will live on. They will live on in you, my child, As everything you see, Though it must vanish, will remain alive in memory. Alive in what you think and feel And dream and say and do, For all who ever were, still are Upon this earth in you. Love and prayers, Bonnie Arnold and family
