Mom, I miss you so much. You will always be on my mind. Memories of fun childhood times will remain forever. You made sure that your children were happy and gave them what they needed, not necessarily what they wanted! You will be forever in my heart! Your daughter Millie

We are truly blessed to have had such a wonderful woman in our lives who loved each and every one of us. We were so lucky to have had her company for so long but the time had come to share her with ones that left this earth before us. I didn't ever want that time to come but Mom always said, "Life is what you make it", so we'll "make it", until we meet again. I love you Mom. Aloha "Oe.
