I am so glad that I had the chance to visit with Don before his passing. I will always have that to remember and hold close. I have such great memories of him in my life as I grew up. We are all missing a great person now...God gained a bright star. God be with all you in this time of loss.

To Dear Uncle Don, I'm so glad we got to see you recently—it was such a blessing to hang out with you and your clan. I cherish the wonderful memories I have of you and look forward to the day when we will be praising our Heavenly Father together. Much love to Aunt Jan and all my cousins and their families. May God comfort you and give you His precious peace.

This picture of Don and I, was taken on our wedding day almost 58 years ago. We have been so happy together. I thank the Lord for the 58 years of marriage and the blessings of 3 wonderful children and their spouses, as well as so many grandchildren and great grandchildren. Because of our faith in Christ, I have comfort in knowing he is no longer in pain and is in heaven. I will miss him so very much, but I know that we will be together again someday. Love you Don, and always will.

To say Grandpa was a blessing in our lives is an understatement. No words will ever be able to truly explain what he meant to his family. He is missed, but I know I will see him again. And on that day we'll be standing together before our Lord forever singing Him praises. Can't wait til that day arrives. Love you Grandpa will all my heart.
