Danny, It was truly my pleasure to have worked for you for the past 26 years. It wasn't really work. I looked forward to seeing you and helping you in every way that you needed. You became a part of my family, my husband and kids also grandkids enjoyed visiting with you while I was cleaning. My husband Bill really enjoyed the stories about the Army he could relate because he was 82nd Airborne and you were 101st. I've enjoyed all the talks we have had sitting at the table with a glass of wine and talk about everything under the sun. You reminded me of my granpa he was a lot like you very informed, very intelligent, kind and happy go lucky. I will miss you so very much. May you watch over all of us, until we meet again. Oh by the way, Bill said to tell you "Thank you for your service". Almost forgot, I loved it when you would leave me a message saying "Diana, Danny #1" you will always be #1.
