I first met Mike when I visited my Cousin and family in 1994. I was immediately impressed by Mike's openness, generosity, and sense of humor. For the past few years my Cousin Pat, and Mike have invited us to join them to celebrate Easter. As temporary US residents from the UK, it has been delightful to stay with extended family, always confident of the warmest welcome. We have thoroughly enjoyed getting to know our family better in San Diego, San Angelo, and here in New Orleans, and are very sorry not to have had more time together with Mike. Pat and Family, you are in our thoughts and prayers at this sad time. With Love

Dear Cousin Pat and Family, Maureen has just shared this sad news, please accept my deepest condolences, Mike was an amazing man. My fond memories of Pat and Mike, were at Phair family functions and get togethers. A deeply devoted couple who shared undying love and respect for each other. They raised terrific kids, by example and humour. My thoughts and prayers are with you all. most sincerely, Sue Cooper

When a family member leaves us, it's the lump, so hard to swallow. I was young when Pat and Mike married, saddened by the move to San Diego, but always, my heart was with them both. Now, that sadness is that much greater. To you Pat I grieve your loss, I've love you both, all these years. Stay strong. Cousin Kelvin

Dear Pat & Family, I'm so sorry to hear about Mike. Last night Jon Phair (Ray & Esther's son) arrived here for a visit and we were chatting about our large family of cousins. I didn't hear about Mike's passing until I received an email from Kelvin this morning.....but what is really unbelievable was that just last night Jon and I we were talking about Delores and I thought about her and I being (the two youngest cousins) flower girls at your wedding?!.oh my god?!.for me that sure seems like a message from Heaven...my deepest thoughts are with you and the family. Hugs Dianne

Mike, I have known you since I was 9 years old, and no one could have been happier than me when you and Pat got married. Now I had two brothers, one as smart as the other, and the best sense of humour, that anyone could wish for. I know I am going to miss you so much. Please know that if you take care of my sister from Heaven, then I will do what I can to take care of her here on earth. Love You, Miss you, so much Maureen

So sorry to hear of Mike's passing. Although it has been some time since I last saw Pat and Mike (I believe it was at Myron & Jacqueline's in St. Albert) I have often thought of you both over the years. Our thoughts and prayers are with all of you.

as i am maureen's best friend, i have known mike since pat met him. i didn't know him well but he and pat were joined at the hip and always saw them together before they moved to san diego. mike had a gentle nature and loved pat soooooo much. i am going to miss the fact that i can't say "pat and mike" anymore and know he has gone to a beautiful place to be with former friends and relatives that were there waiting for him. god needed him for some reason and so he has gone to be an angel to watch over those who have been left behind.....for now. rest in peace mike. i am honored to have known you.
