Our deepest sympathy and condolences to the entire Olson Family. I have the luxury of many memories of Wayne, Mary and family during my time in the Navy. Wayne and Mary graciously opened up their home and their hearts to me while I was stationed in San Diego, Ca, where I spent many weekends with the family. Even going on my first WesPac cruise, at that time, Wayne and Mary were stationed in the Phillipines, and I was able to visit and spend time with them. Times I will cherish for the rest of my life never forget. We have lost a very true friend and Uncle. All Our Love, The Larry Schwope Family

Our prayers and love go out to Maya, Jeff, Cathi and the family. Wayne was definitely a person who made his presence known in a calming, respectful and non-center of attention way. His smile and sense of humor is legendary as well as his big heart. Losing him in our lives will leave a definite void that can not be filled until we all meet again. Rest in Peace, Wayne, and keep all who have gone before in laughter.
