Sally was a friend . We went to grade school and High School together. Rode the same mill workers bus back and forth. Brokaw kids were always looked down upon compared to Wausau kids. But we survived. Visited with Sally and Tony several times in San Diego and here in Wisconsin. Always enjoyed her company. Sending our deepest sympathies to the Ellenbecker and Josiger families. She will always be remembered. There are now only my cousin Gary and myself left out of the kids from Brokaw that we schooled with. Wish we could turn back the clock to all the fun times we experienced. Surely Heaven has welcomed her with open arms.

We are missing a big piece of our hearts. Nancy's Aunt Sally is now an angel watching over us. I am so fortunate to have had her in my life and also my children and grandchildren. I will keep our memories close to my heart. I can still hear her giggle. We love and miss you ❤️. We wish we could be there in person, but know we love you all and are sending hugs

We always looked forward to visits from Sally. So much fun when she came. She was so sweet and loving, had time to check in to see how we were doing. Since she was my cousin (Powers side), my aunt by marriage (Ellenbecker) there was a double family connection. I enjoyed telling people about Aunt Sally. The times spent at the cottage were special, many good memories. Mom and dad looked forward to their California trips, Sally and Tony were such wonderful hosts. They tried to get me to move to California when I visited after high school, but I wasn't quite ready. Heaven has gained a beautiful angel who has left a footprint on our hearts. Love you Aunt Sally. When she visited Wisconsin, every day was a celebration. She made us all feel special and loved. Some people light up a room, but aunt Sally was a sparkler. Her energy and joy spread to everyone lucky enough to know her. Words cannot express how deeply she will be missed. Love you Laurie, Don, James, Michael and Anna—from niece Deb J-H
