Donna Elizabeth Tomovich

FEB 20, 1969 - DEC 18, 2024

Donna Elizabeth Tomovich passed away peacefully surrounded by family on December 18th, 2024. She was 55 years old.

Donna was born in San Diego, California on February 20th, 1969, to her parents William & Dolores Crann. Donna was raised in Clairemont which is also where she met her husband, Thomas Tomovich. Donna and Thom started dating her senior year of high school where they attended prom together. They dated for 9 years then decided to get married on June 19th, 1995. The two moved to Tierrasanta where they had two daughters Vivian & Elizabeth Tomovich. Donna is also survived by her sister Brenda Crann & Brother Louis Crann and family.

Donna went on to attend school to be an esthetician and ended up working at a spa in Escondido called Belissima Day Spa. Donna was an esthetician for about 10 years until she decided she wanted to take care of her children full time.

Donna had a great love for music, her favorite artists were Siouxsie & the Banshees and Lana Del Rey. Donna also loved photography. We have multiple books filled with her pictures. She also enjoyed spending time with her family watching baseball games and her interior design shows. Donna had a deep devotion for animals survived by her dog Kona who she spent every second with in her final days.

Donna will live on in our hearts forever. The amount of love she has shown throughout her life will be greatly remembered and cherished. May our beautiful angel rest in peace. We will miss you and love you forever and always.

Donna was a great Mother. I will miss the laughs we had at family gatherings. Her talent as an aesthetician was so great. I remember having a great experience with her giving me a facial before my wedding in 2011. Thank you Donna for being such a great support to my brother and my nieces over the years. We know you will always be with us in spirit.
