“ Tony was a great guy. I knew him thru my father Tom Dangelo. My dad and Tony had a long history together of owning horses, developing properties and even living together on Haller street for a while after my parents divorced. I used to show up at Del Mar in the late 80's and sometimes Tony would let me sit with him at his reserved seats in the grandstand. One time I even tagged along on a Vegas trip with Tony and his buddy Steve. All good memories. I have a winners circle picture on my office wall from 1968 Caliente where Tony and my dads horse Mitoi Princess won the race.
