“ I miss you so much, Dad.I remember dirt biking in the desert. You and Keith tearing up the desert like mad men and me, with Mom on the back of my bike, not as brave! Our road trips, our summer vacations are memories never to be forgotten. I wouldn't have missed our time together for anything in the world! I love you forever!

“ Dear Donna and Keith, I'm so sorry about your Dad's passing.I have some really fond memories of Uncle Johnny (and Aunt Martha). I was thinking about one day when we all went to the beach and later Uncle Johnny bbq'd albacore. It was so good! The best I've had. I loved it when our family would drive to your house to visit. We always had so much fun. I remember our parents playing cards and laughing at the dining room table. Thinking back about them laughing and having fun together is a great memory. I also remember staying with your parents for a couple of days. I think Aunt Martha was working one night, so Uncle Johnny took me to the movies. Even as a kid, I remember thinking that it was really sweet of him to take me.I know you and your families will miss him very much. Please know that you are in my thoughts and prayers. I hope each day will get better.Love, Shelly
